Foreword by Jesse Seppell
'PROOF' is a documentation of visual & sound artists living in or originally from LA. Each set of images within is accompanied by a mix in an effort to capture the synergy between music and visual art; a concept that while not unfamiliar is constantly evolving as culture and technology change. New sensations for us to wrap our ears and eyes around are coming at us on a daily basis, whether we realize it or not. All of this has an impact on our
